

## **Customize Status Colour**

You can assign colors to the statuses of requests, estimates, work orders, and service appointments. The chosen colors will be used in the following places in Zoho FSM.

- Service appointment entries in the Gantt, Grid, and Calendar views.
- Statuses of the entries in the **Dispatch Console Left Panel**.
- **Status** displayed in the [Module] Details and [Module] List screens.

To do so:

- 1. Navigate to **Setup** > **Customization** > **Modules and Fields**.
- 2. Click the module whose status field you want to customize. Click on the **Status** field.
- 3. Click on the color of the pick list option to open the color palette. Use the color picker [ S ] to choose a color of your choice. Use the **No Color** [ C ] option to remove any color chosen for the status.
