Hello,
How are you today?

Appearance

Choose a mode in which you want to view your WorkDrive account. The available options are Light Mode, Dark Mode, and System Default.

To change the mode:

1. Click your profile picture in the top-right corner, then select **Appearance**.
2. Under *Appearance* field, select the required mode (**Light, Dark, or System Default**).

 **Note:** If you're using Light Mode, you can also lighten the left panel by enabling the checkbox just below the appearance settings.

Theme Color

Choose a theme to personalize all the WorkDrive app screens. The available themes are Evergreen, Calming Blue, and Passion Red.

To select a theme color:

1. Click your profile picture in the top-right corner, then select **Appearance**.
2. Under *Theme Color*, select the required theme color:
Available color options: **Blue, Green, Red, and Yellow**.

Font

Choose a custom font for your WorkDrive account. The available fonts are Zoho Puvi, Lato, Roboto, PT Sans, and Arial.

To select a font:

1. Click your profile picture in the top-right corner, then select **Appearance**.
2. Under *Font*, select the required font among Zoho Puvi, Lato, Roboto, PT Sans, and Arial.
