What is Zoho Tables?

An easy-to-use no-code work management tool that seamlessly connects people, processes and information.

With Zoho Tables experience work management at its best through powerful visualizations, real-time collaboration, custom workflow automation, integration and smart relationships with access to a single source of truth—All of this in just a few clicks.

The screenshot displays the Zoho Tables application interface. At the top, there's a purple header bar with the 'Tables' logo and a user profile icon. Below the header, a navigation bar shows 'Event Management' as the selected table, with options for 'Automation' and 'Log'. A 'Views' dropdown menu is open, showing 'Event Listing' as the active view, along with a '+ Add Record' button. A 'Create Views' sidebar is visible on the left, offering options: Grid, Gallery, Kanban, Form, and Calender. The main area shows a table with columns: Single Select, Rating, and Number Field. The table contains several rows of data, including event status (Finished, Ongoing, Upcoming), ratings (represented by stars), and phone numbers. A right-hand sidebar contains various icons for editing and viewing the data.

	Single Select	Rating	Number Field
	Finished	★★★★★	(708) 813-8989
	Ongoing	★★★★★	(401) 715-3344
	Finished	★★★★★	(636) 296-7838
	Ongoing	★★★★★	(215) 424-7763
	Upcoming	★★★★★	(904) 335-2403
	Finished	★★★★★	(907) 248-8330
7	James Hall	Upcoming	(765) 322-1399
8	Chris Glasser	Ongoing	(617) 623-2338
